

SILAS STEVENS.

---

APRIL 6, 1860.—Ordered to be printed.

---

Mr. FOSTER, from the Committee on Invalid Pensions, made the following

REPORT.

*The Committee on Invalid Pensions, to whom was referred the petition of Silas Stevens, asking a pension, report:*

That it appears the petitioner enlisted in the army during the war of 1812, and was marched to Fort Meigs; that on the way he was taken sick and discharged as unfit for duty, and returned home. There is no satisfactory proof that his sickness then had resulted in any permanent disability, or that he was made less able to perform manual labor. It is given in evidence that he is a worthy man. Your committee are constrained to say that they see no sufficient reason why his prayer should be granted, and ask to be discharged from the further consideration of the subject.
